The type of personal information we collect

We currently collect and process the following information:

- Personal identifiers, contacts and characteristics (for example, name, address and contact details)

How we get the personal information and why we have it

Most of the personal information we process is provided to us directly by you for one of the following reasons:

- To be able to contact you and complete quotes and arranged work.

We use the information that you have given us in order to provide the electrical work required. We only take necessary details and will never pass these on to a third party outside the company.

We may share this information with other sub-contractors who may complete work through ROBO Electrical.

Under the UK General Data Protection Regulation (UK GDPR), the lawful bases we rely on for processing this information are:

(a) Your consent. You are able to remove your consent at any time. You can do this by contacting 0118 3751730 or emailing office@roboelectrical.co.uk

(b) We have a contractual obligation.

(c) We have a legitimate interest.

How we store your personal information

Your information is securely stored.

We keep contact details for 5 years in case of further works required. We will then dispose your information by removing all information from our systems.

Your data protection rights

Under data protection law, you have rights including:

Your right of access - You have the right to ask us for copies of your personal information.

Your right to rectification - You have the right to ask us to rectify personal information you think is inaccurate. You also have the right to ask us to complete information you think is incomplete.

Your right to erasure - You have the right to ask us to erase your personal information in certain circumstances.

Your right to restriction of processing - You have the right to ask us to restrict the processing of your personal information in certain circumstances.

Your right to object to processing - You have the the right to object to the processing of your personal information in certain circumstances.

Your right to data portability - You have the right to ask that we transfer the personal information you gave us to another organisation, or to you, in certain circumstances.

You are not required to pay any charge for exercising your rights. If you make a request, we have one month to respond to you.

Please contact us at office@roboelectrical.co.uk if you wish to make a request.

How to complain

If you have any concerns about our use of your personal information, you can make a complaint to us at roboelectrical.co.uk

You can also complain to the ICO if you are unhappy with how we have used your data.
