Phone Number: 0118 3751730

E-mail: [office@roboelectrical.co.uk](mailto:office@roboelectrical.co.uk)

Last updated: 8/5/24

This is the Cookies Policy (the "Policy") for ROBO Electrical, accessible from [www.roboelectrical.co.uk](http://www.roboelectrical.co.uk). To make this site function properly, we sometimes place small data files called cookies on your device. These cookies are downloaded to your computer to improve your browsing experience as well as other purposes that are outlined in this Policy.

Accordingly, this Policy is a legally binding agreement between you ("user," "visitor," "you," or "your") and this Website administrator or operator ("administrator," "operator," "we," "us," or "our"). This cookies policy page describes what cookies are, what information they gather, why, and how they're being used by ROBO Electrical and any of its related products and services (the "Services"). We will also share how to control and disable these cookies and withdraw consent to collect cookies. However, please know that these actions may downgrade some aspects of this site's functionality.

For further information on how we use, collect and manage your personal data and information, see our Privacy Policy above.

## **What Are Cookies**

Cookies are small pieces of data stored in text files saved on your mobile device or computer when you visit a website. Cookies allow the website's server to record and store your actions and preferences, such as login information, user history, language settings, font settings, colour settings, and other display preferences, over a particular period.

Cookies ensure visitors do not have to continuously re-enter their details or information whenever they revisit the site or surf between pages.

Cookies are used to remember your preferences for single visits through sessional cookies or multiple repeat visits through permanent cookies.

## **How We Use Cookies**

Cookies are essential for our website to function optimally and enhance website performance for a better user experience. The website administrator(s) controls all cookies used on the site and grants third parties access for statistics and analytics purposes. Cookies are needed to identify visitors and remember their site actions and online behaviours.

We use cookies for various reasons, which are explained in detail below. Please know that cookie-related information is not used to identify you personally.

## **How to Control Cookies**

You can control and/or delete cookies on your mobile device or computer and adjust your browser settings to prevent cookies. Users can withdraw consent to collect cookies on the website. You can also determine whether you want to agree to the site's use of cookies. However, doing this may cause you to repeat your preferences every time you visit the site manually, and some of the site's services and functionality may not work optimally.

## **Disabling Cookies**

You can disable cookies setting by adjusting the option on your browser settings (see your browser "Help" for more details). However, please be aware that the act of disabling cookies will affect your visit's functionality and the use of this website and many others. Unfortunately, disabling cookies will usually result in also disabling certain functionality and features of this site. In most cases, there are no website standard options for disabling cookies without completely disabling the functionality and features they add to the site. It is recommended that you enable cookies for optimal site functionality and service.

## **The Cookies We Use**

### **Sessional Cookies**

Sessional cookies are temporary cookies that are operational during your visit and expire when the user closes the browser.

## **Permanent Cookies**

Permanent cookies store and retain your site preferences on your mobile device or computer even after you close the browser or your mobile device or computer.

## **Necessary Cookies**

Necessary cookies allow the website to provide a better user experience when navigating the website, its services, and features. These cookies allow us to recognize if you have created and logged into an account to access site content.

## **Functionality Cookies**

Functionality cookies allow the website to operate optimally, following your site preferences for future visits. These recognize your site username and customizations.

## **Analytical Cookies**

Analytical cookies allow first-party and affiliated third-party services to collect and store aggregated data for statistical and analytical purposes on how our visitors use the website. While these cookies respect visitors' privacy and personal information, they optimize the user experience.

## **Forms Cookies**

We use cookies to remember your details for future correspondence when you submit information through our contact form.

## **Site Preferences Cookies**

To provide you with a beautiful user experience and site interaction, we use cookies to provide the functionality to set your site preferences when you use it.

## **First-Party Cookies**

First-party cookies are the cookies explained above that are set by the website.

## **Third-Party Cookies**

In some cases, the website uses cookies provided by trusted third parties that serve content or render advertising and analytics services on this website. The following section explains the third-party cookies you may encounter while using this site.

- This site uses Google Analytics, one of the most trusted analytics solutions on the global web, to understand how you use the site and ways to improve your site experience. As a result, these cookies may track your use of the site, time spent on the site, and its pages to allow us to continue producing engaging content. For more information on Google Analytics cookies, we refer you to see the official Google Analytics page:  
<https://developers.google.com/analytics/devguides/collection/analyticsjs/cookie-usage>
- We periodically test new features and make subtle changes to our site's user interaction. Cookies may be used to provide you with a consistent experience on the site and understand our user's preferred optimizations.
- We use cookies to track and understand the statistics about the number of visitors that we have to our website.

## **Amendments and Modifications**

ROBO Electrical reserves the right to modify this Policy and its terms as they relate to this website and services at any time, effective and in full force upon posting the updated version on the website.

Please check this page regularly for updates. The continued use of the website and its services after that shall constitute your consent to such amendments and modifications.

## **Policy Acceptance**

You hereby acknowledge that you have read this Cookies Policy and agree to all its provisions, terms, and conditions. By continuing to access and use this website and its services, you also agree to be legally bound by this Cookies Policy. If you do not agree with the terms and conditions of this Policy, you are not permitted to access or use this website and its services.

## **More Information**

We trust that you have gained clarity concerning our use of cookies. For further information about our cookies policy, please email us at [office@roboelectrical.co.uk](mailto:office@roboelectrical.co.uk)
